1. Guidelines

1.2. Becketts Financial Services has made a philanthropic pledge to Lancaster University for a Becketts Scholarship, which will be administered and awarded by the University. Eligible applicants will need to submit a Becketts Scholarship application. As only two scholarships are available, a panel on behalf of the Widening Participation Advisory Group will review applications and select the final recipient.

1.3. The Becketts Foundation Scholarship includes:

1.3.1. A £3,000 scholarship in the first year of study

1.3.2. A £1,000 scholarship for the remaining years of study on Bailrigg campus

1.4. The bursary will be paid in October each year directly to the student's bank details as provided to the University. Alternatively, scholars can request three equal termly payments by 15 October each year. It is the student's responsibility to ensure their bank details are correct. The bursary for subsequent years will only be applied if the student successfully progresses to the next part of their programme.

3. Terms and conditions

3.1. A Becketts Scholarship will only be offered to a student who satisfies the Eligibility Criteria and agrees to comply with these Terms and Conditions.

3.2. Each Becketts Scholarship is non-transferrable and its continuation into future years of study only applies where the student remains registered for the same level of study for a further full year. Completion of the programme will mean the end to the scholarship.

3.3. The University's decision is final. The University reserve the right to withdraw the Becketts Scholarship and claim back any payments already applied, if a student is subsequently found to be ineligible or if these Terms and Conditions are not adhered to.

3.4. In the event of a suspension of studies, scholarships will be removed for the period of suspension and will resume once the student is fully enrolled again. In the event of a withdrawal from study, the next payment will be removed as per the University's advertised cut-off dates. The Becketts Scholarship entitlement is for the normal duration of the programme and entitlement may not be extended if overall programme duration is altered through suspension or withdrawal.

3.5. Students awarded a Becketts Scholarship may be required to participate in relevant University marketing activities about the scheme. This includes via case studies to advertise the scholarship to new applicants and with Becketts Financial Services who are funding the scholarship.

3.7. A maximum of one Becketts Scholarship will be awarded per applicant.
